Families in Recovery Conference

March 20 – 22, 2020

Salado, Texas

The Families in Recovery Conference is dedicated to AA and Al-Anon principles and focuses specifically on Alcoholics Anonymous Chapter 9, The Family Afterward. This conference provides a place where couples in recovery can “meet upon the common ground of tolerance, understanding and love.” (AA, page 122, Chapter 9). We welcome all couples that are in a committed relationship.

This unique conference has been held in the lovely town of Salado, Texas for the past 28 years! During this two-day retreat, attendees meet in intimate and confidential groups to discuss topics taken from Chapter 9.

- Communication
- Establishing Trust
- Love and Tolerance
- Financial Recovery
- Practical Spirituality

These small groups allow attendees to get to know their fellow group members, learn from others who have overcome adversity and experience the benefits of group sharing.

The conference hosts small group discussion session on the following topics:

- Parent / Child Relationships
- Rebuilding Emotional Intimacy
- Closed AA meeting
- Closed Al-Anon meeting

The highlight Saturday evening is a Speaker Meeting; a couple in recovery shares their experience, strength and hope. This year’s speakers are Chip and Angie B. from Destin, FL.

We look forward to seeing you at the next conference!
